

Attention:

Educators!

Forest Technologies
Announces an **ALL NEW
& REVOLUTIONARY WAY**
to **BUY SOFTWARE!**

CD-ROMs* as LOW as \$12

MIX & MATCH products and platforms!

Forest Technologies' Community License™ is the first program to allow Schools, States, Districts, Educational Consortiums, and Parents within the community to purchase software at substantially discounted prices. **Parents, home schoolers** and **teachers** may purchase for their home use at the price level your school qualifies for!

There is a **5 CD-ROM minimum per title.** By purchasing 100 or more CD-ROMs, your cost drops to **\$12.00 each!**
Call for details.

THE PRICING STRUCTURE: WOW!

Number of CD-ROMs*		Price per CD-ROM*
25 - 50	=	\$20
51 - 75	=	\$18
76 - 99	=	\$15
100+	=	\$12

NO MEMBERSHIP FEES!

Purchase orders must be sent from a school, district, state or educational consortium. However, individual checks made out to Forest Technologies will be accepted.

Forest Technologies will **ship to one location** and invoice only the educational institution indicated on the purchase order.

The minimum 5 units per title, will be shipped as one full box product and 4 CD-ROMs.

Documentation may be purchased additionally or copied.

Reorders for titles already purchased need to be **in groups of 5 or more.**

Reorders may be at the current level of pricing for one year from the date of the first purchase order.

More titles are added as they become available!

This can be an outstanding fundraising opportunity!

Product information is available on our web site for everyone to visit at **<http://www.ForestTech.com>**.

*Or diskette where available
