

# Claris Organizer™

## FOR MACINTOSH

★★★★★ (5 out of 5)

"If you're looking for speed, terrific ease of use and smooth-as-glass integration of contacts and calendar, Claris Organizer is it."

—*MacHome Journal*

### What customers say:

"The speed of Claris Organizer is tremendous....And the size, an 800K footprint, that's unheard of for such a full-featured personal information manager."

—*Lee Hinde President,  
MacNexus User Group*
