## Instructions

Thank you for purchasing Pyramid Solitaire!

Pyramid Solitaire can be played directly from the CD. However, for your convenience, you may want to install the game on your Hard Drive. To do so, simply drag the Pyramid Solitaire icon to your Hard Drive icon (make sure the Hard Drive icon turns dark) and release the mouse button. Pyramid Solitaire will automatically be copied to your Hard Drive.

To play Pyramid Solitaire, just double click on the Pyramid icon. Complete playing instructions can be found in the **Help** file under the **Options** menu.

# PYRAMID SOLITAIRE

**This classic Solitaire game will grab you and won't let you go!**

Twenty-eight cards are dealt in the shape of a pyramid. Any card that's not partially covered is available for a match. All you need to do is match pairs of cards to equal thirteen. Figuring out how to play is easy, but achieving a high score is not! Complete on-line instructions are available with the click of the mouse at any time.
