THE NETWORKABLE 3-D MAZE BATTLE GAME

SUPER MAZE WARS

Be the King of the Maze!

Battle unrelenting robot enemies or networked human opponents, or both, in **Super Maze Wars**, the hot, arcade-style, 3-D action game. More than just a shoot'em-up, Super Maze Wars tests your cunning, strategic thinking, and skill.

- ◆ As you move through the maze at the controls of your MazeCruiser, hunt down and eliminate your adversaries in a variety of gameplay scenarios.
- ◆ Perform surgical strikes with smart missiles that lock on target and track your opponents down.
- ◆ Improve your weapons and maneuvering capabilities by retrieving capsules throughout the maze.
- ◆ Outfox your competitors by skillfully using radar, shields, shots and speed.
- ◆ Stunning 256-color graphics and sounds enhance the endless challenge.
- ◆ Play alone or with up to 8 humans and robot-controlled combatants across an AppleTalk network.

Super Maze Wars is "more action than *Bolo*[™], more strategy than *Spectre*[™]." Truly an awesome arcade experience!

A Note on Copy Protection

We realize that software copy protection is a burden to honest customers, so we have decided NOT to copy-protect this software. We want to make it easy to use and enjoy Callisto games. We only ask one small favor:

PLEASE do not make illegal copies of this software.

We are putting our trust and faith in your desire to do the right thing by NOT making illegal copies. The cost of developing a high-quality game like this one is recovered solely through sales to legitimate customers. The many people involved in developing this software are counting on you to understand why we make it so easy to use and copy this game. We ask you to resist the temptation to provide illegal copies to other people.

Thank you for purchasing a Callisto game!

Callisto Corporation is a member of the Software Publishers Association and supports the industry in its effort to fight software piracy.
