Warlords II is the sequel to the highly addictive, hugely successful, award winning Warlords. . .

Now, Warlords II gives you more of everything. More worlds to conquer, more mighty armies to make, more enemies to vanquish. . . all displayed in fabulous, hi-res graphics and backed by a full sound track. . .

Warlords II features include random worlds for infinite playability, mysterious hidden maps, exciting and dangerous quests, new, exotic army types, and the smartest computer opponents you'll ever encounter. . .
