NOTE: "A" = VTOL JET-REACTION CONTROL SYSTEM

You pilot the *Harrier Jump Jet*, one of the world's most awesome fighter aircraft. Your Harrier is able to hover and maneuver like a helicopter and is equipped with all the speed and punch of the latest in modern jet armament. Your mission is to take off from your aircraft carrier, and fly to an island 2½ miles away where you must destroy a fuel depot and an enemy airbase. The airbase is defended by tanks equipped with anti-aircraft heat-seeking missiles. You'll also face the enemy's nastiest fighter planes in midair combat!

**HARRIER STRIKE MISSION** gives you all the excitement of a fast-action arcade strategy game, combined with the realism of a 3-Dimensional Flight Combat Simulator.

Also works with hardware joystick adapters. Not for use on the Lisa or Mac XL systems.

## Warranty and Registration

Miles Computing warrants the original magnetic diskette to be free from defects in material and workmanship for a period of ninety (90) days from the date of purchase. If a defect should occur within this ninety-day period, such a defect should occur at no charge, provided that you have previously enclosed your Registration Card or send a copy of your enclosed Registration Card to Miles Computing. Replacement of the diskette is your sole and exclusive remedy under this limited warranty. Miles Computing assumes no responsibility for diskettes with defects due to accident, abuse or misuse.

If, after the ninety-day period, some unusual circumstance occurs, such as a computer crash or a power outage, resulting in the loss of your data, Miles Computing will, at its discretion, replace the diskette for a cost of \$5.00 and a self-addressed manila envelope with appropriate postage for return shipping. The \$5.00 fee is non-refundable and does not include the cost of duplicating the diskette.

Miles Computing makes this warranty to you, the purchaser, and not to anyone to whom you transfer this license and specific legal rights, and you may also have other legal rights.

## Warranty and Registration Card

Miles Computing warrants the original magnetic diskette on which the Program is recorded to be free from defects in material and faulty workmanship under normal use and service for a period of ninety (90) days from the date you receive it. If, during this ninety-day period, such a defect should occur, you may return the diskette to Miles Computing or an authorized Miles Computing dealer for a replacement diskette at no charge, provided that you have previously returned to Miles Computing the enclosed Registration Card or send a copy of your receipt for the Program. Replacement of the diskette is your sole and exclusive remedy. Miles Computing assumes no responsibility under this limited warranty for, and will not replace, any diskette with defects due to accident, abuse or misapplication.

If, after the ninety day period, some unusual catastrophe should occur, such as the coffee cup mistaking your diskette for a coaster, return the diskette with a check for \$5.00 and a self addressed mailer with appropriate postage to cover the cost of shipping the diskette back to you. The \$5.00 helps defray the cost of handling and re-duplicating the diskette.

Miles Computing makes this warranty to you as the original licensee only, and not to anyone to whom you transfer this license and Program. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
