LEXI-CROSS™

The 21st Century TV Game Show That's Beyond Words.

The audience cheers! Lights flood the stage! The tension mounts! The red "On The Air" light goes on and... it's time to play **LEXI-CROSS™**, the galaxy's favorite 21st century game show.

Step into the future of television game shows and play the most addictive, thought-provoking word game on the planet.

You'll put your memory, strategic, and puzzle-solving skills to the supreme test in this fast-paced, futuristic TV Game Show that's sweeping the universe. Spin for letters, search for vowels, uncover words, ask for clues and watch as the beautiful Robanna turns over word tiles in more than 600 brain-teasing puzzles challenging enough to make even the most die-hard couch potato forget completely about that remote control.
