# Super Mines

With only your trusty mine detector as a guide, you'll need logic and a lightning-fast mind to help you race against the clock and cross dangerous minefields in your struggle to reach safety.

To succeed in Super Mines, you'll need to know the ins and outs of each of the intriguing and colorful minefields, starting with the simple grid and getting more and more complex as you progress. And just when you think you've mastered them all, you'll find that the fun and challenge have only just begun!

Earn bonus points by proving your prowess in speedy and precise mine avoidance. Earn promotions and increase your scoring potential by conserving your lives. Find buried treasures that help you complete your difficult tasks.

Super Mines is easy to learn, but hard to master. Super Mines has complete on-line documentation and no disk copy protection.

Can you master Super Mines?

**IMPORTANT - PLEASE READ THE REVERSE SIDE OF THIS  
DISKETTE ENVELOPE CAREFULLY BEFORE OPENING.**

By breaking the seal on this diskette envelope or by your initial use of the software program, you accept the provisions printed below. If you do not agree with these provisions, return the unopened diskette envelope, all materials included with this envelope, and your receipt to your dealer within 60 days of purchase for a full refund.

**SOFTWARE PROGRAM LICENSE**

This is a license agreement and not an agreement for sale. Callisto Corporation grants you a non-exclusive license to use one copy of the enclosed software program, provided you use the software program on only one computer at a time.

You may make back-up copies of the original diskette(s) for archival purposes, but you agree not to modify the software program or to provide it to others.

You may transfer this software program to another party by transferring the original diskette(s) and all documentation, including a copy of this license agreement. You must delete or destroy all other copies of the software program. This transfer of possession terminates your license from Callisto.

You shall not use, copy, or transfer copies of this software program except as provided in this license agreement. You shall not loan, rent, lease, or sublicense this software program or any copy. This license is effective until terminated.

**30-DAY MONEY-BACK GUARANTEE**

If you are displeased with this software program for any reason during the first 30 days you own it, you may return it for a full refund. Return it with the complete package, including the original software program diskette(s), to the place of purchase. (Your dealer will probably require proof of purchase.) You must also delete or destroy all other copies of the software program. This guarantee applies to the initial purchaser only.

**LIMITATION OF LIABILITY**

Except as set forth above, Callisto makes no other warranties of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Moreover, in no event will Callisto be liable to you for any damages whatsoever, including lost profits, lost savings, or other incidental or consequential damages arising out of the use or inability to use such program, even if Callisto or any dealer has been advised of the possibility of such damages, or for any claim by any other party. Some states do not allow the exclusion of implied warranties or the limitation of liability for damages, so the above exclusions and limitations may not apply to you. This agreement will be governed by the laws of the Commonwealth of Massachusetts, United States of America.

*PLEASE do not make illegal copies of this software.*

We realize that software copy protection is a burden to customers, so we have decided NOT to copy-protect this software. We want to make it easy for you to use and enjoy this product.

Of course, we are putting our trust and faith in your desire to do the right thing by NOT making illegal copies of this software. The cost of developing a high-quality software product like this one is recovered solely through sales to honest people like you. The many people involved in developing this software are counting on you to understand why we make it so easy to use and copy this software. We ask you to resist the temptation to provide illegal copies to other people.

We need your help. We are confident that there are many people like you who will continue to give us confidence that we can successfully sell software without copy protection. Please don't give this product away.
