TERMS & CONDITIONS

1. This Image Club Software Product may be used on two (2) printers. A printer includes any output device such as film recorders, PostScript laser printers, dot matrix printers & high resolution image setters. A separate Multi Printer License & fee is required if you wish to use the Image Club Software Product on more than two printers.
2. In the event you modify the Image Club Software Product or include it in any other software program, this license is terminated & you agree to remove the Image Club Software Product or any portion of it from the modified program & return it to Image Club Graphics Inc.
3. The Image Club Software Product may not be duplicated or copied except for one copy of each diskette for backup purposes. All copies must remain in your possession & shall comply to the same terms & conditions as the original.
4. When using a outside service bureau or high resolution output service, one copy of this Image Club Software Product may be made to accompany the document in which the software has been used. This copy is for one time use only & must be removed from the service bureau's possession upon completion of the service.
5. If a Multi Printer License is obtained, only the number of copies needed to run the software simultaneously on the machines covered by the Multi Printer License may be made.
6. This license & the Image Club Software Product may be transferred to a third party provided that the third party agrees to all the terms & conditions of this agreement and that you destroy any remaining copies of this Image Club Software Product in your possession upon transfer of ownership.
7. This license does not transfer any right, title or interest in the Image Club Software Product to you except as stated in these terms & conditions. You are forewarned that Image Club Graphics Inc. claims all protection of the software.
8. Image Club reserves the right to terminate this license upon breach. Upon termination, you will be required to return all copies of this Image Club Software Product to Image Club Graphics Inc.
