

SOFTWARE END-USER LICENSE.

PLEASE READ THIS DOCUMENT CAREFULLY BEFORE USING THE ENCLOSED SOFTWARE. BY USING THIS SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, PROMPTLY RETURN THE UNUSED SOFTWARE TO THE PLACE WHERE IT WAS OBTAINED.

1. License. This software contains proprietary, copyrighted application, demonstration, and/or software (the "Software") and related documentation and other materials (the "Materials") owned by CD Technology, MediAlive, and/or licensed to CD Technology by CD Technology's Licensor(s). The Software and Materials are licensed to you by CD Technology and/or licensed to CD Technology by CD Technology's Licensor(s). You own the compact disc on which the Software is recorded but CD Technology, or CD Technology's Licensor(s), retain title to the Software and Materials. You are expressly prohibited from copying, duplicating, reproducing, or otherwise transferring the Software and Materials for any purpose whatsoever. This License is personal to you and does not constitute a site license. FAILURE TO COMPLY WITH AND ADHERE TO THE TERMS AND CONDITIONS OF THIS LICENSE COULD SUBJECT YOU TO LEGAL ACTION BY CD TECHNOLOGY AND/OR CD TECHNOLOGY'S LICENSOR(S).

2. Restrictions. The Software and Materials contain copyrighted material, trade secrets and other proprietary material and in order to protect them you may not decompile, reverse engineer, disassemble or otherwise reduce the Software to human-perceivable form. You may not modify, network, rent, lease, loan, sell distribute or create derivative works based upon the Software and Materials in whole or in part. You may not electronically transfer the Software and Materials from one computer to another over a network.

3. Termination. This License is effective until terminated. You may terminate this License at any time by destroying the CD-ROM, the Software and Materials and all copies thereof. This License will terminate immediately without notice from CD Technology and/or CD Technology's Licensor(s) if you fail to comply with any provision of this License. Upon termination you must destroy the CD-ROM and the Software and Materials.

4. Limited Warranty on Media. CD Technology warrants the CD-ROM on which the Software is recorded to be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of purchase as evidenced by a copy of the receipt. CD Technology's entire liability and your exclusive remedy will be replacement of the disc not meeting CD Technology's limited warranty and which is returned to CD Technology or a CD Technology authorized representative with a copy of the receipt or other proof of authorized possession. CD Technology will have no responsibility to replace a disc damaged by accident, abuse or misapplication.

5. Disclaimer of Warranty on Software. You expressly acknowledge and agree that use of the Software and Material is at your sole risk. The Software and Materials are provided "AS IS" and without warranty of any kind.

6. Limitation of Liability. UNDER NO CIRCUMSTANCES INCLUDING NEGLIGENCE, SHALL CD TECHNOLOGY OR CD TECHNOLOGY'S LICENSOR(S) BE LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES THAT RESULT FROM THE USE OR INABILITY TO USE THE SOFTWARE OR MATERIALS, EVEN IF CD TECHNOLOGY, CD TECHNOLOGY'S LICENSOR(S), OR AN AUTHORIZED REPRESENTATIVE OF CD TECHNOLOGY OR CD TECHNOLOGY'S LICENSOR(S) HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

In no event shall CD Technology's or CD Technology's Licensor(s)' total liability to you for all damages, losses and causes of action [whether in contract, tort (including negligence) or otherwise] exceed the amount paid by you for the CD-ROM.

7. Controlling Law and Severability. This License shall be governed by and construed in accordance with the laws of the State of California. If for any reason a court of competent jurisdiction finds any provision of the License, or portion thereof, to be unenforceable, that provision of the License shall be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this License shall continue in full force and effect.

8. Complete Agreement. This License constitutes the entire agreement between the parties with respect to the use of the Software and Materials, and supersedes all prior or contemporaneous understandings or agreements, written or oral, regarding such subject matter.

Intended Audience

Multimedia HANDisc™ is intended for Macintosh™ computer users who want to join the exciting new field of multimedia. It explains the terminology and demonstrates the capabilities of the rewarding and challenging field of interactive communications.

What does the Multimedia HANDisc Contain?

Multimedia HANDisc is a first-of-its-kind CD-ROM which contains hundreds of examples that show and tell you how to build your own multimedia creations. Included in this CD are demonstrations of the use of Apple Computer QuickTime™, Claris HyperCard™, Macromedia Director™ and many other applications which enable you to develop easy to use and powerful multimedia presentations.

This CD also contains a comprehensive library of animations, sounds, photos, backgrounds, buttons, borders and music—everything you need to create impactful communications products for business, education or entertainment.

Minimum Configuration:

Macintosh II with color monitor, 5 MB RAM, System 6.07 or above, CD Porta-Drive™ or Apple Macintosh compatible CD-ROM drive. System 6 users may install System 7, included in HANDisc.

Getting Started

- Before using the **Multimedia HANDisc™**, make sure the appropriate CD-ROM driver has been loaded and the **Multimedia HANDisc** icon is visible from the desktop.
- Open the **Multimedia HANDisc** icon by double clicking. For first time users, open the "Getting Started" folder and select the "Open Me First!" stack.
- After leaving the "Getting Started" folder, launch the "**Main Stage**", the main Hypercard stack to view the entire disc.

The MultiMedia HANDisc stack provides a wonderful tutorial in the form of a three-act screenplay with numerous examples and demonstrations. This main stack also presents a navigation palette to easily access other stacks for Help, Glossary, Products, References and Resources.

- After leaving the MultiMedia HANDisc stack, browse the entire contents of the disc by opening other folders.

Do you have a large personal collection of multimedia content? Are you interested in becoming a HANDisc author? Contact us with your ideas.

Credits: Special thanks goes to Jim, Fred, Gordon, Karin and William.
