

BUICK

DIMENSION

THE BUICK DIMENSION

QUICK START GUIDE

System Requirements:

Apple Macintosh with 512K system memory, and either a 400K or 800K disk drive. Optional Imagewriter printer may be used to print out a facsimile sticker, test-drive invitation and purchase plan.

Getting Started

1. With computer off, insert the disk in your drive with the label up.
2. Turn on computer.
3. Follow the simple on-screen instructions.

*** A description of the programs and a **Guided Tour** through the Computerized Showroom follows.

Come Explore Another Dimension!

The Buick Dimension is a computerized showroom where you can explore the features of Buick's 1987 models. You pick the options and accessories that make up the car of your dreams. Explore financing alternatives and get a personal invitation to test drive a Buick. The latest in personal computing, Buick Dimension brings a world of automotive performance, prestige and practicality to your Apple II.

FEEL FREE TO MAKE A COPY OF THE BUICK DIMENSION PROGRAM AND PASS IT ALONG TO A FRIEND.

Guided Tour of the Computerized Showroom

TOP MENU BAR:

Across the top of the screen you will see this menu bar:

FILE	PROGRAMS	MODELS	EQUIPMENT	FEATURES
(Options include save, print, or quit.)	(Displays a list of the programs to explore.)	(Displays a list of Buick models to choose from.)	(Select from a list of Standard or optional Available Equipment.)	(Displays a list of interior trim or exterior paint colors for selected model.)

You may select from this menu bar at any time. Pull down menus and click on your choice.

PROGRAMS TO EXPLORE (Pull down Programs Menu)

1. TECHNOLOGY

View animated illustrations and descriptions of the 1987 Buick's advanced technological features. Includes:

1. Engine
2. Interior
3. Instruments
4. Body & Exterior
5. Suspension

*** THE INFORMATION IN THE FOLLOWING PROGRAMS WILL APPLY TO A SPECIFIC MODEL. To determine which model will be used, you can either:

- * **Use the default model**, which is automatically selected when you load the program (The Buick Riviera).
- * **Select a model of your choice** from the pull down MODEL MENU. For a wider selection, click on ADDITIONAL MODELS.
- * **Let the program make a selection for you** by selecting the CHOOSE PROGRAM from the PROGRAMS MENU and answering a few simple questions.

2. MODELS SPECS

Performance numbers and vital statistics including:

1. Engine, Transmission and EPA data
2. Dimensions: Side, top and exterior views

3. CHOOSE

What's the right Buick for you? Answer some simple questions to have the program recommend a model for you.

4. COMPARE

How does Buick stack up to the competition? This program compares the currently selected Buick model to cars by other makers -- both foreign and domestic.

5. PURCHASE PLAN

Explore financing options for a Buick model you've selected. The program supplies the base price and you just fill in the following variables: The amount you might expect to spend for extra options, down payment, trade-in value, number of monthly payments and interest rate. As you try out different numbers, the program will compute the results to help you develop a financing plan that will work best for you.

6. STICKER

After you have selected a model and additional available options you are interested in, this program will prepare and print out a facsimile of a Buick sticker. Please note that while the options you have chosen are listed, the total sticker price does not include option prices.

7. INVITATION

Creates and prints a personalized invitation you can bring to your local dealer to entitle you to a test drive in a Buick.

Thanks for taking time to explore the Buick Dimension. Please make sure to print out your invitation and take it to your local Buick dealer for a test drive in a Buick. Feel free to make a copy of the Buick Dimension and pass it along to a friend.
