# The Far Side

**Before you step into the daily rat race, make sure you're armed with a few good laughs.** The Far Side 3.0 features 366 Far Side cartoons to help make each day a little

more bizarre than the last. We've also added some cool sound effects to the new animation sequences that appear randomly to lighten up your potentially trying day.

# Cathy

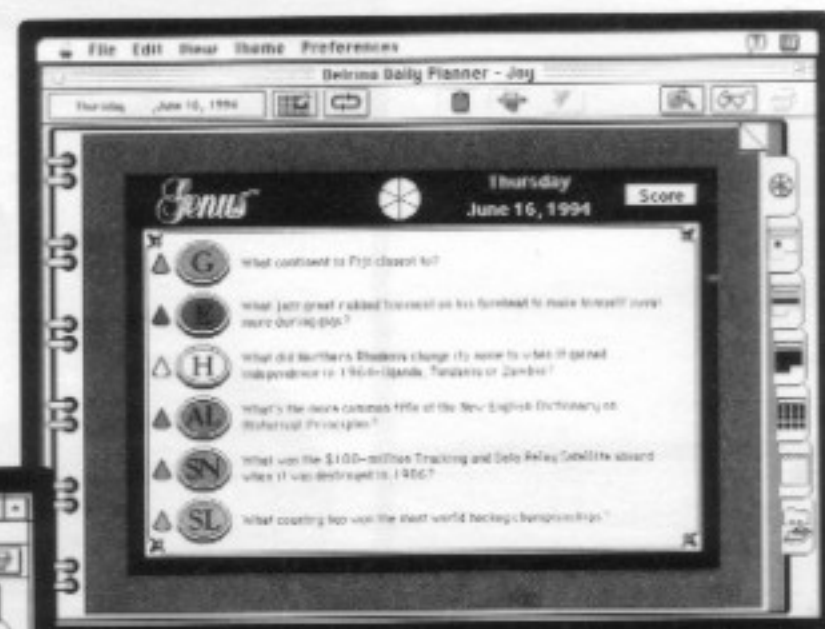

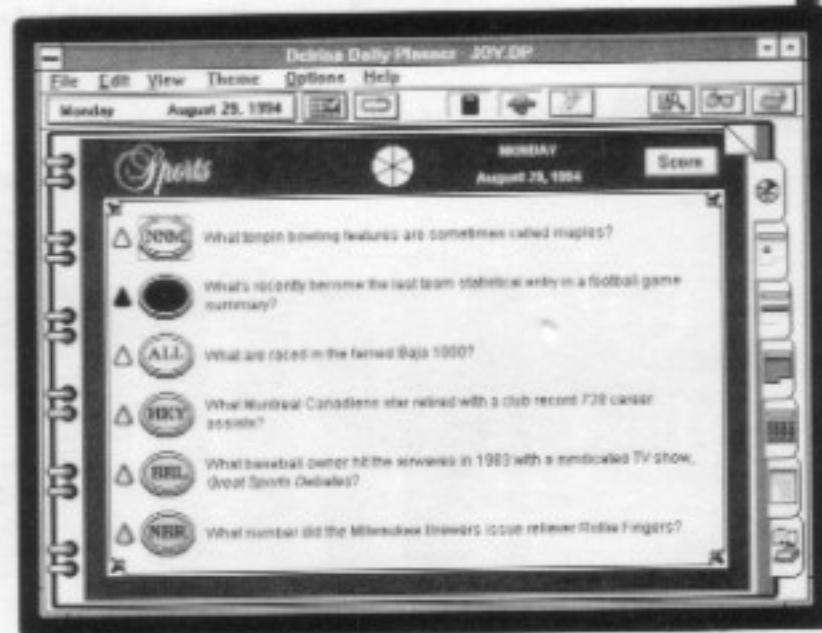

Now your computer understands you as well as CATHY™ does. Let's face it. Your day is filled with things that can drive you crazy. Work. Cars. Men. Women. Diets. Dating. Shopping. That means you have to add something to your life to keep it in perspective. Like CATHY™. No other cartoon takes the everyday traumas of your life and makes them laugh-out-loud funny. And now with the help of Delrina, CATHY's™ special perspective is waiting for you in your computer.

**Start your day with a round of Trivial Pursuit®.**

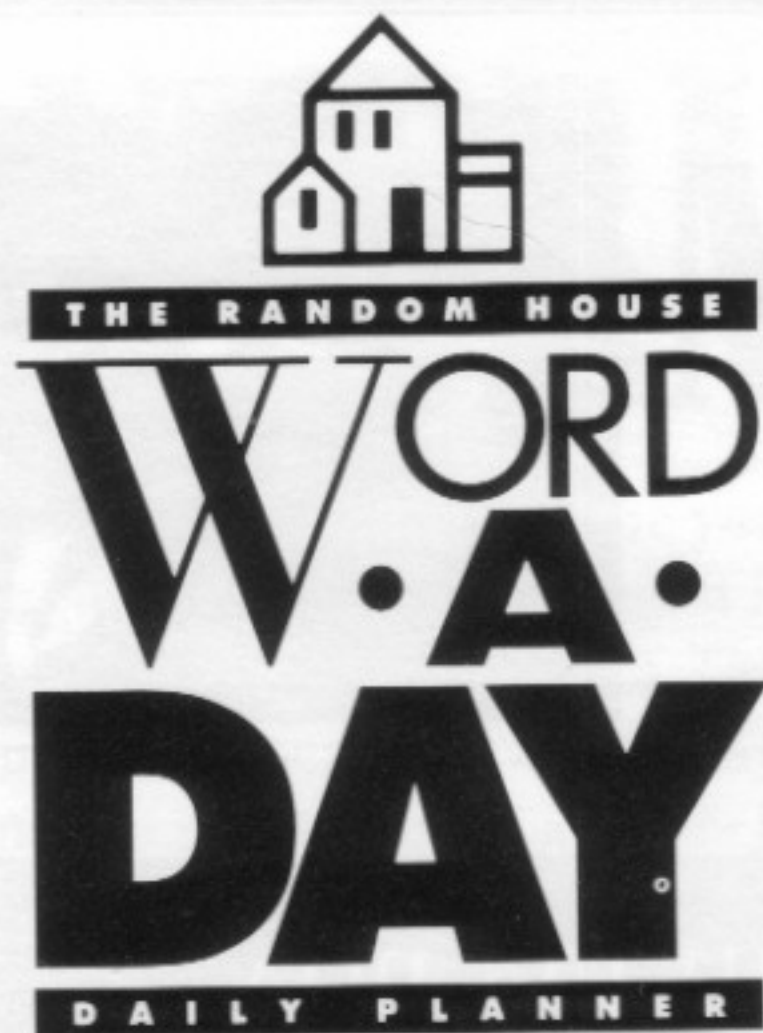

It's the original Trivial Pursuit®, Genus™ Edition from Delrina. Put your knowledge to the test every day with challenging questions on Art, History, Science, Entertainment and more.

**Do you know sports or what?**

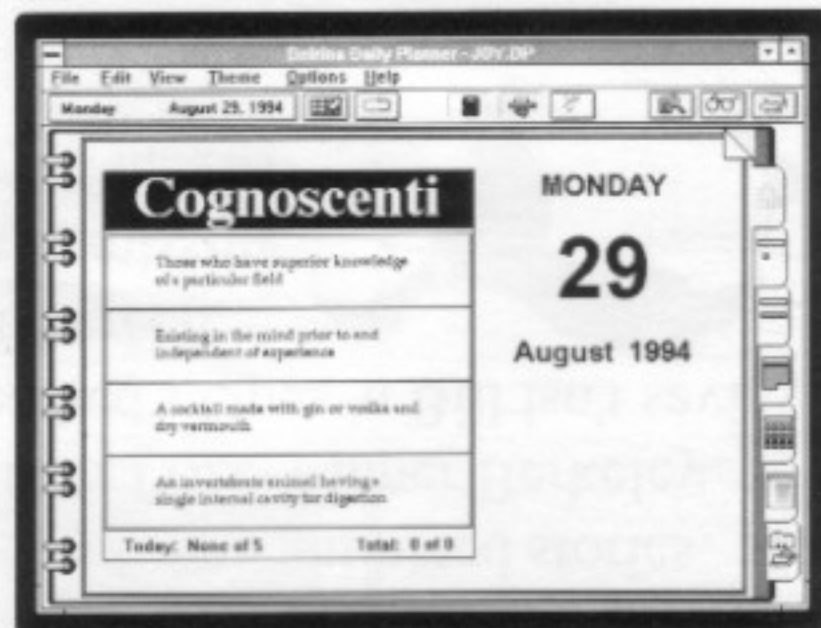

Test your sports savvy every day with six knock-out questions. And it keeps score automatically so you can check out your stats in each different category. Just load the Sports Edition into your Delrina Daily Planner for an unbeatable combination.

*Trivial Pursuit®*

Sometimes the only way to survive a tough day is to have a word with your computer. Thanks to the Random House® Word-A-Day™ theme for the Delrina Daily Planner, you have a new word every day--and have fun while you're at it.
