WordPerfect® Works

WordPerfect Works for Macintosh gives you a tool bar in every program for quick, easy access to the features you use most.

With our In-Context Editing, you can edit hot-linked information from other documents, no matter what program you created it in.

You can use drawings, logos, and graphics to customize charts and database forms - And in our Drawing mode, just click to scale, rotate, flip, or change the shape of your object.

Place a graphic anywhere in your document, and the text will automatically flow around it—that's all it takes to make colorful newsletters, flyers, and other eye-catching materials.

Software License Agreement

Grant of Rights

WPCorp grants you the right to use the Software in the quantity and on the platform(s) indicated on the reverse side. If this Software is an upgrade from a previous version of a WPCorp software product, you may utilize either the current or prior version of the Software, but never both versions at the same time. This Agreement supersedes any prior version license and governs your use of the Software.

For a single-user computer or workstation not attached to a network, or for a network server, the Software is considered "in use" when any portion of the Software is either loaded in memory or virtual memory (Loaded) or stored on a hard disk or other storage device (Stored). For single-user computers or workstations attached to a network, the quantity of the Software "in use" is considered to be the greater of (i) the maximum number of computers on which the Software is Loaded at any one time, or (ii) the maximum number of computers on which the Software is Stored.

On a multi-user computer, the quantity of the Software "in use" is considered to be the maximum number of sessions executed at any one time.

You may make copies of the written documentation, which accompanies the Software, in support of your authorized use of this WPCorp software product. You may also make an archival copy of the Software for each License obtained under this Agreement.

Restrictions

You may not rent or lease the Software without the written permission of WPCorp. You may not decompile, disassemble, reverse engineer, copy, create a derivative work, or otherwise use the Software except as stated in this Agreement. Irrespective of the number of sets of media included with the Software, you are granted the right to use the Software only in the quantity indicated on the reverse side of this Agreement. Certain qualifications may apply to the purchase of this Software; when present, they are printed on the Software package and form part of this Agreement.

Home or Portable Computer Provision

You are authorized to use a copy of the Software on a home or portable computer, as long as the extra copy is never Loaded at the same time the Software is Loaded on the primary computer on which you use the Software.

If you have purchased this Software under an education or charitable institution pricing program, you may not create an extra copy of the Software under this provision for use on a home or portable computer.

Limited Warranty/Limitation of Liability

This Software is licensed AS IS. If for any reason you are dissatisfied with the Software, return the product package, with proof of purchase, to your reseller within 90 days of the date of purchase for a full refund. If any materials or media

in this package are defective, return them to WPCorp within 90 days of the date of purchase, and they will be replaced at no charge.

These warranties are in lieu of any other warranties, express or implied, including the implied warranties of merchantability and fitness for a particular purpose. In no event will WPCorp be liable to you for damages, including any loss of profits, lost savings, or other incidental or consequential damages arising out of your use of or inability to use the Software, even if WPCorp or an authorized WPCorp representative has been advised of the possibility of such damages.

Some jurisdictions do not allow excluding or limiting implied warranties or limiting liability for incidental or consequential damages, and some jurisdictions have special statutory consumer protection provisions that may supersede this limitation. As a result, this limitation of liability may not apply to you if prohibited by the laws of your jurisdiction.

Customer Support

WPCorp will attempt to answer your technical support request concerning the Software; however, this service is offered on a reasonable efforts basis only, and WPCorp may not be able to resolve every support request. WPCorp supports the Software only if it is used under conditions and on operating systems for which the Software is designed.

General

If any provision of this Agreement is found to be unlawful, void, or unenforceable, then that provision shall be severed from this Agreement and will not affect the validity and enforceability of any of the remaining provisions. This Agreement shall be governed by the laws of the State of Utah.

U.S. Government Restricted Rights

The Software and any accompanying materials are provided with Restricted Rights. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of The Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial Computer Software—Restricted Rights at 48 CFR 52.227-19, as applicable. Contractor/manufacture is WordPerfect Corporation, at the address below.
