If you have technical problems:

- 1) Check to see that the CD Player is turned on and properly connected to your Mac.
- 2) Be sure there are no fingerprints or smudges on the silver (bottom) side of the CD. Wipe the bottom surface with a soft, clean cloth to ensure that it is clean.
- 3) Make sure that you are using the current Apple CD ROM or other manufacturer's software CD player driver, and current Apple System Software (6.0.7 and 7.0 or later versions); then
- 4) If you are still having problems accessing the CD ROM compact disc, call Sumeria technical support department (415-904-0818) or fax 415-904-0888. Please have a description of your Mac and the name of your CD ROM player's manufacturer ready.

CD ROM SOFTWARE END-USER LICENSE

PLEASE READ THIS DOCUMENT CAREFULLY BEFORE USING THE ENCLOSED CD ROM COMPACT DISC. BY USING THE ENCLOSED DISC, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, PROMPTLY RETURN THE UNUSED DISC TO THE PLACE WHERE YOU OBTAINED IT AND YOUR MONEY WILL BE REFUNDED.

1. License. The CD ROM compact disc (the "Disc") enclosed with this End-User License (the "License") contains proprietary, copyrighted application, demonstration, and

system software (the "Software") and related documentation, copyrighted works and other materials (the "Materials") owned by Sumeria and Sumeria's licensors, including Apple Computer, Inc. ("Apple"). The Software and Materials are licensed to you by Sumeria. You own the compact disc on which the Software is recorded, but all rights to the Software and Materials are reserved except for the limited rights granted to you by this License. This License allows you to use the Software on a single Apple computer only in conjunction with the authorized use of this Disc. You are expressly prohibited from copying, duplicating, reproducing, or otherwise transferring the Software and Materials for any purpose whatsoever, unless you transfer the Software and the Materials along with this Disc to another person who agrees to be bound by the terms of this License, and you retain no portion thereof, or any copy thereof, in any form other than any additional copies of this Disc that you rightfully possess. This License is personal to you and does not constitute a site license. FAILURE TO COMPLY WITH AND ADHERE TO THE TERMS AND CONDITIONS OF THIS LICENSE COULD SUBJECT YOU TO LEGAL ACTION BY APPLE AND/OR SUMERIA.

2. Restrictions. The Software and Materials contain copyrighted expression, trade secrets, and other proprietary materials. You may not decompile, reverse engineer, disassemble, or otherwise reduce the Software to a human-perceivable form. You may not modify, network, rent, lease, loan, sell, or distribute the Software or the Materials, or any portion thereof, or prepare derivative works based upon them. You may not electronically copy or transfer the Software or the Materials from one computer to another, over a network or otherwise.

3. Limited Warranty on Disc Medium. Sumeria warrants the physical Disc medium on which the Software is recorded to be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of purchase as evidenced by a copy of your purchase receipt. Sumeria's entire liability and your exclusive

remedy will be replacement of the Disc if it fails to meet Sumeria's limited warranty and is promptly returned to Sumeria or a Sumeria authorized representative with a copy of the purchase receipt or other proof of authorized possession. Sumeria will have no responsibility to replace a Disc damaged by accident, abuse, neglect or misuse.

ANY IMPLIED WARRANTIES ON THIS DISC, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO NINETY (90) DAYS FROM THE DATE OF DELIVERY. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

4. Disclaimer of Warranty on Software and Materials. You expressly acknowledge and agree that your use of the Disc, the Software and the Materials is at your sole risk. The Software and Materials are provided "AS IS" and without warranty of any kind. SUMERIA AND SUMERIA'S LICENSORS, INCLUDING APPLE (COLLECTIVELY FOR PURPOSES OF THIS PARAGRAPH 4, REFERRED TO AS "SUMERIA"), MAKE NO, AND EXPRESSLY DISCLAIM ALL, WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. SUMERIA DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE OR THE MATERIALS WILL MEET YOUR REQUIREMENTS, OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT ANY DEFECTS IN THE SOFTWARE AND/OR THE MATERIALS WILL BE CORRECTED. FURTHERMORE, SUMERIA DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF THE SOFTWARE OR THE MATERIALS IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, CURRENTNESS, OR OTHERWISE. YOU ASSUME THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE AND THE MATERIALS. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY SUMERIA, OR AN AUTHOR-

IZED REPRESENTATIVE OF SUMERIA, MAY CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY. SHOULD THE SOFTWARE AND/OR THE MATERIALS PROVE DEFECTIVE, YOU (AND NOT SUMERIA, OR AN AUTHORIZED REPRESENTATIVE OF SUMERIA) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR, OR CORRECTION OF THE SOFTWARE, THE MATERIALS, OR THE COMPUTER SYSTEM WITH WHICH THEY ARE USED. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SOME OR ALL OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.

5. Limitation of Liability. UNDER NO CIRCUMSTANCES (INCLUDING NEGLIGENCE) SHALL SUMERIA OR ITS LICENSORS, INCLUDING APPLE (OR THEIR DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS, COLLECTIVELY FOR PURPOSES OF THIS PARAGRAPH 5 REFERRED TO AS "SUMERIA") BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR INDIRECT DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, AND THE LIKE) ARISING OUT OF OR RESULTING FROM THE USE OF OR INABILITY TO USE THE SOFTWARE OR THE MATERIALS, EVEN IF SUMERIA, OR AN AUTHORIZED REPRESENTATIVE OF SUMERIA, HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SOME OR ALL OF THE ABOVE LIMITATIONS AND EXCLUSIONS MAY NOT APPLY TO YOU. In no event shall Sumeria's total liability to you for actual damages from any cause whatsoever, together with all other damages, losses, and causes of action, regardless of the form of the action (whether in contract, tort (including negligence), product liability or otherwise) exceed the amount paid by you for this Disc or \$50, whichever is less.

6. Termination. This License is effective until terminated. You may terminate this Li-

cence at any time by destroying the Disc, the Software and the Materials. This License will terminate immediately without notice from Sumeria if you fail to comply with any provision of this License. Upon termination you must destroy the Disc and the Software and Materials and any copy thereof in any form that is in your possession, whether or not that copy is authorized.

7. Export Law Assurances. You agree and certify that neither this Disc, the Software, the Materials, nor any other technical data received from Sumeria or included on this Disc, nor the direct product thereof, will be exported outside the United States except as authorized in advance by Sumeria in writing and as permitted by the laws and regulations of the United States.

8. Government End-Users. If this Disc is acquired by or on behalf of any unit or agency of the United States Government, the following provisions apply and the Government agrees:

U.S. GOVERNMENT RESTRICTED RIGHTS LEGEND

(a) This Disc, the Software and the Materials are supplied to the Government with RESTRICTED RIGHTS as defined at 48 CFR 27.401 or at DFARS 252.227-7013(a), as appropriate to the procuring agency. Use, duplication, reproduction, or disclosure is subject to restrictions as set forth in (A) subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013, when procured or used by agencies of the U.S. Department of Defense, and (B) this License, unless modified by a contract with the Government, subject to the provisions of the clause at FAR 52.227-19(c)(2) (or, in the case of NASA, at 18-52.227-86(d) of the NASA Supplement to the FAR) when procured or used by other agencies of the U.S. Government. Contractor/manufacturer: Sumeria, Inc., 329 Bryant Street, San Francisco, CA 94107.

(b) The Software and the Materials included in or with this Disc: (i) were developed at private expense, and no part of them was developed with government funds; (ii) are trade secrets of Apple and/or of Sumeria, for

all purposes of the Freedom of Information Act; (iii) are "commercial computer software" subject to limited utilization as provided in the contract between the vendor and the government entity; and (iv) in all respects are proprietary data belonging solely to Apple and/or Sumeria.

(c) If this Disc, the Software or the Materials were acquired under a GSA Schedule, the Government has agreed: (i) to refrain from changing or removing any insignia or lettering from the Software and Materials that is provided or from producing copies thereof (except one copy for backup purposes); (ii) title to and ownership of the Software and Materials and any reproductions thereof shall remain with Apple and/or Sumeria; (iii) use of the Software and Materials shall be limited to the facility for which they were acquired; and (iv) if use of the Software and Materials is discontinued at the installation specified in the purchase order or delivery order, whichever applies, and the Government desires to use them at another location, it may do so by giving prior written notice to Sumeria, specifying the type of computer and new location or installation.

9. Controlling Law and Severability. This License shall be governed by and construed in accordance with the laws of the State of California as applied to agreements entered into and to be performed entirely within California between California residents. If for any reason a court of competent jurisdiction finds any provision of this License, or portion thereof, to be unenforceable, that provision shall be enforced to the maximum extent permissible, and the remainder of this License shall continue in full force and effect.

10. Complete Agreement. This License constitutes the entire agreement between the parties with respect to the use of this Disc, the Software and the Materials, and supersedes all prior or contemporaneous understandings or agreements, written or oral, regarding such subject matter. No amendment to or modification of this License will be binding unless in writing and signed by a duly authorized representative of Sumeria.
